

Goldstream Capital

TRAINING LAWYERS AND FINANCE PROFESSIONALS

Clients with particular distressed investments or distressed balance sheets– including increasingly various types of fund clients – are the new reality.

The changes in capital markets and valuations of the past 12 months have dramatically impacted, at least for the short term, the viability of many projects and indeed companies.

This seminar provides you the legal information you need to properly handle instructions from clients in distress scenarios.

About the Presenter

Sam Gullotta has worked as a lawyer since 1978 and in investment banking since 1999.

He works as a private placement agent for listed and unlisted Australian companies seeking private equity and other investment, an adviser and facilitator in respect of PPP consortia and has worked as a developer of structured financial products (focusing on alternate assets).

In addition, Mr Gullotta worked for over 20 years as a barrister specializing in corporate and securities law and litigation. He is a registered attorney in New South Wales and the state of New York, USA, and a member of the Bar of the Republic of Ireland.
