Why Work with Us?

- Independent
- We understand complex litigation and have a detailed and longstanding knowledge of large scale commercial litigation. This allows us to work effectively with you.
- You are left to run your case. We do not tie you in administrative knots or second guess strategy.
- We only handle large scale commercial litigation and arbitrations, and the service and funding offerings are tailored accordingly.

Goldstream Capital

The cases we are looking to fund meet the following criteria:

- Claim size A\$10million+
- Anticipated claimant expenses \$A1million+
- Good prospects of success and of effective recovery
- A well managed litigation team and a compelling litigation strategy.

Indicative pricing: In the range of 25% - 45% of claim proceeds.

For us to advise our level of interest, a detailed statement (in writing or oral) of the status of proceedings plus a written advice as to prospects in acceptable form are needed.
